11.3 In addition to the requirements in paragraph 11.2, an issuer of a Green Bond shall be required to include in its director's report and annual accounts, a comprehensive Green Bond Report providing the following:

(a) a brief description of the projects and the amounts disbursed, including the percentage of proceeds that have been allocated to different project types and to financing and refinancing of such projects,

(b) where confidentiality agreements or competition considerations, or a large number of underlying projects limit the amount of detail that can be disclosed, the information shall be presented to the investors, in generic terms or on an aggregated portfolio basis, except that the SEC may request an issuer to provide detailed information for regulatory purposes;

(c) the expected impact of the projects and assets;

(d) the qualitative performance indicators, and where feasible, quantitative performance measures of the impact of the projects;

11.7 At all times prior to a Green Bond maturing, the balance of the tracked proceeds shall be periodically adjusted to match allocations to eligible green projects made during that period.

11.8 The issuer's management of proceeds shall be confirmed by an auditor, or other third party, to verify the issuer's internal tracking method and the allocation of funds from the proceeds of the Green Bond.

PART F

BREACHES

12 *Breach of Green Requirements by an Issuer of Green Bonds*

12.1 Where an issuer of a Green Bond contravenes any of the requirements of these Guidelines or any other relevant laws or rules, the SEC will inform the issuer about the provision that has been breached and shall, in addition to any other action that the SEC may take, require the issuer to take remedial steps to rectify the breach, subject to a time frame approved by the SEC.

12.2 Where the issuer fails to take any remedial steps to rectify the breach, the SEC may direct the issuer to remove the green label on the Green Bond.

12.3 The SEC may, in the interest of the investors, take any other enforcement action it may consider fit against the issuer for the breach or any other act of non-compliance with the securities laws and regulations.

13 *Suspension of a Green Bond*

13.1 Any action to suspend the trading of a Green Bond shall be undertaken subject to the provisions of the Securities Act and/or the exchange rules.

13.2 Where the SEC or an Independent Reviewer's report determines that there has been greenwashing or the Green Bond has ceased to meet the prescribed eligibility requirements, the SEC may require an issuer to remove the green label from a registered Green Bond.

13.3 Where greenwashing has occurred, the SEC shall institute investigations to determine whether the action by the issuer to greenwash the bond constitutes a fraud on, or misrepresentation to investors and shall apply the applicable law on fraud and misrepresentation.

13.4 The SEC may institute investigations and if warranted suspend trading of a Green Bond, where it has reasonable cause to believe, either on its own motion or as a result of a complaint or other information received, that an issuer has breached any provision of the Securities Act or these Guidelines.

PART G

REVIEWS

14 *Review and updating of these Guidelines*
